I still am the proud owner of a teeshirt says front and back and that are completely reversible!!.. You can be sure he'll get the most positive healing thoughts from me and the prayers that his injuries knit together successfully.. radiation implants and blah blah blah!! I sure would appreciate a hug iffen you guys and gals have one to spare!!!And Thank you John.

I do not mean to cry oh the hell I do NOT!!I am scared I was diagnosed with double pneumonia last week.

last week and for most people that would not be more than a mosquito bite and a few days of suffering.. and teasing with Lefty about not being there for his american legion mothers day feast.. and thats why I missed your spreial breakfast LeftY! I was diagnosed with double pnemonia.. My particular case however involves a bit more the right lung is good and will recover nicely. [Download Dragon Ball Z Games For Android Phone](#)
